Dear [Redacted]

25X1

In reply to your request, you are hereby given permission to use the ideas, facts, techniques and data developed during the course of our work under your proposal 76-1 on any project for the Army, Navy or Air Force. You must, however, not disclose the fact that you have worked with us or that you have actually done anything more than conduct laboratory experiments.

I hope that this letter will satisfactorily solve your problems.

Sincerely yours,
